TESTIMONIALS

"What an amazing plan! I followed your instructions just 3 weeks ago, and although I haven't made 15 grand yet, I'm already up to \$9,135. I'm absolutely gob smacked."

Sally Atkinson, Chicago, IL, 2004

"This is George. Well, what can I say?... THANK YOU SO MUCH! I sent 40 email's out like you said and then I just forgot about the whole thing. To be honest, I didn't really think anything would come of it. But when I checked my paypal account a week later, there was over \$5,000 in it! After 30 days I now have over \$11,000 to spend! I can't thank you enough!"

George Tovar, NY,NY 2006

"I was shocked when I saw how much money came flooding into my paypal account. Within 3 weeks my account balance has ballooned to \$12,449. At first I thought there had been some sort of error with my account!" JUST FOLLOW THE STEPS EXACTLY AND DON'T CHEAT --- You'll be amazed at the money FLOWING into your PayPal account.

Richard Cowper, Boulder, CO 2006

"I turned \$6 into \$14,706 within the first 30 days of operating the business plan that I am about to reveal to you free of charge. If you decide to take action on the following instructions, I will GUARANTEE that you will enjoy a similar return!

Do not be sceptical about this program. At least think about it for a few days. Otherwise you will be throwing away over \$15,000 in cash! This system has been working for 2 years and thousands of people have joined and they have been amazed by the results of a little time and \$6.00! You will too!

I became unemployed in August of 2001, along with several other colleagues at the printing firm where I worked. At that time I was living beyond my means and in serious debt. Several debt collectors were hounding me on an almost daily basis, and this consequently started a

chain reaction that ended with the repossession of my car and then my home. As you can probably imagine, my prospects looked pretty bleak. Then, in March of 2002, I received a short and simple email telling me how to make over \$15,000 at a time. I ignored it because of course, I was sceptical. However, I didn't delete that email because something about it rang true to me, and I was desperate to know whether it was possible to make that amount of money in such a short space of time. By this time, I was even deeper in debt, and I had just about reached the point of despair. I finally realised that I had absolutely nothing to lose by having a go at the plan offered to me in that email. And apart from that, I just couldn't stop myself from thinking What if it actually works?

Therefore, I put my doubts to one side and I went ahead and followed the simple instructions given in that email. It took me less than 30 minutes to complete and it cost me no more than \$6. And yet, by the end of 2002, I was able to book the family holiday of a lifetime in the Caribbean, and I bought a brand new BMW with hard cash. Also in the autumn of 2003, I purchased a tidy condo in Florida for no less than \$125,000. And yet, I dont owe a single cent to anyone!

To date, I have made exactly \$376,855. My accountant has drawn up a cash-flow forecast in which he predicts that, within the next 18 months, I will become a millionaire just through this one business alone. Even now as I write this, I find it strange to come to terms with the fact that, like most people, Ive worked hard and struggled all my life just to get by and then something ridiculously simple drops into my lap and immediately turns my life around completely. When I think back to all the similar emails I had previously deleted, it makes me shudder, because now I know just how close I came to missing out completely.

What did it say in that email? Well, if you'll read on, all will be revealed! The business plan I am about to share with you works perfectly every single time. Ive never made less than \$15,000 from it on each occasion. Let me assure you that this is a LEGITIMATE BUSINESS OPPORTUNITY, a perfectly legal moneymaking enterprise. It does not require you to sell anything. It does not require you to speak to your friends, family or anybody else (unless you want to). In fact, you do not need to come into contact with any people whatsoever. Anyone with a pulse can become successful and make their fortune

with this system. If you believe that every dog has its day, then follow the simple step-by-step plan exactly as it is set out below.

If you do this and this alone, I GUARANTEE that within the next 30 days you will receive over \$15,000 in cash via your PayPal account. I know that

this must sound like an outrageous claim, particularly if you've never had possession of this sort of money before, but

believe me, this business works like nothing else you may have seen before in your life! By following the simple 3-step plan set out below, within a few short weeks your life will be transformed beyond all recognition! Please do not allow your initial scepticism to deprive you of certain financial success.

If you decide not to take advantage of this life-changing opportunity, I would like you to know that I sincerely respect your decision and I understand that you will have your reasons. I therefore wish you the very best of luck for the future. I am able to say this with absolute sincerity because, as you will see, if you decide to work this plan, I will not receive any financial compensation from you

whatsoever. After all, I am sharing this system with you for free. However, remember life is short. Nobody has ever said that you cant have the financial freedom to do what you want to do, when you want to do it. But you must first pay the price. The price here is action; its as simple as that! I'm very proud to be able to say that I've fulfilled my duty to my wife and children by securing their financial future in a very uncertain world, and I don't believe that any price is too great to pay for such peace of mind. This is the CHEAPEST, FASTEST and EASIEST way to make serious money online - PERIOD!

There are a lot of companies out there offering to put you in your own business, but I'm so certain you will make a SERIOUS INCOME with what I am going to tell you that I'm willing to roll up my sleeves and help you begin - RIGHT NOW!!

Remember, I am not asking you to send me a single penny for the lucrative business project I am about to share with you. In addition, you will not be asked to buy anything or sacrifice your free time. You will make some fast and easy cash, using just a copy of this page and the simplest and most popular Internet payment system in existence!

This program works no matter what country you are in, or what currency you use. It doesn't matter how old or how young you are. And you certainly won't need any special knowledge or talent. You won't need to run a website, or make phone calls, or make photocopies, or send out letters through the mail, or pay for advertising, etc. The only things you will need are:

- · An email address
- · A Business PayPal account with at least \$6 deposited in it
- · Just 20-30 minutes of your time

This program takes just 20 minutes to set up. After that, there is absolutely no work whatsoever to do on your part. And yet, you will stand to gain many thousands of pounds within the next few weeks

from those 30 minutes of easy work! Yes, I know, it sounds too good to be true! I thought exactly the same thing myself until I actually tried it out! Even if you are already involved in another program, stay with it, but do yourself a big favour and DO THIS ONE as well. You have absolutely NOTHING to lose, but you stand to gain a LIFE-CHANGING amount of money within the next few weeks! In fact, there is NO LIMIT to the amount of income you can generate from this one single business program!! The facts are simple: If you need to make a few thousand pounds REALLY FAST, then this program is the way to do it! It's the CHEAPEST, FASTEST, EASIEST, and MOST LUCRATIVE program you will ever participate in! Please be sure to read all of this page . . . take your time, come back to it . . . go over and over it, you won't be sorry, I can certainly promise you that! If you don't have time to read all of this now, then save this email so you can come back to it later."

Monique Tschoffen, Cleveland, Ohio, 2006

Here are the 4 easy steps to success:

STEP 1: Take a few minutes to join Paypal:

https://www.paypal.com/us/pri/pal=2TGWFQ8CBLHS6

The Internet's most trusted Internet banking system for your future income. When creating your Paypal account make sure you use the same Email address as your user name in the list below so people can send money to your account.

STEP 2: Once you have a Paypal account running, use Paypal to post \$6 or €6 to the Number 1.) position of the Email Addresses below because you pay people with an email address in Paypal.

Here are the 6 individual Email addresses of the current list of Paypal for this to work properly and for you to receive money.

(Don't be tempted to add your email address to position 1 in order to earn money fast! It doesn't work like that! If you do that, you will ONLY reach the people you

directly send emails to, and then your address will be immediately removed from the Number 1 place and you won't reach thousands of people! But, if you add your name to the Number 6 position, there will be literally tens of thousands of people receiving and sending email's later -when your name is at the Number 1 spot!)

Now send \$6 or €6 to the first one of these following email - addresses through your Paypal account: (Just in case you still haven't one yet, use this link to open one in your name,

https://www.paypal.com/us/pri/pal=2TGWFQ8CBLHS6

And pay \$6 or €6 to the FIRST #1) of the following 6 email- addresses:

- #1) cbtkrause@hotmail.com
- #2) bobby1000p@yahoo.com
- #3) vegasmonopoly@netscape.net
- #4) gary.hall@ford.com
- #5) monicamaria@rogers.com
- #6) roshi.khan@yahoo.fr

STEP 3 Now take the #1 Email Address off the list that you see above, move the other Email Addresses up (6 becomes 5, 5 becomes 4, etc.) and add Your Email Address as number 6 on the list. e-mail a note to each of the above address saying "thanks I have joined". Be certain to add this note, as this is what KEEPS THIS PROGRAM LEGAL. Instructions on how to send a payment are under "SEND MONEY" at the Paypal site. It's so easy!!

STEP 4 Change anything you need to, but try to keep this article as close to the original as possible. Now, send your amended article via email to other users. And email your message to as many people you can but remember, the more emails you send the more money you make! (keep in mind that 40 is a good number of people to reach, but with all the different ways of advertising for free on the internet the amount of views and signups under you could well exceed into the hundreds or thousands if you wish....the more people who join the more profitable for

everyone on the list, including you). This is perfectly legal! Keep a copy of these steps for yourself and, whenever you need money, you can use it again and again.

HOW THIS SYSTEM WORKS
4 factors that make this program so successful. . .

EXTREMELY FAST RESPONSE

EXTREMELY HIGH RESPONSE

RATE UNLIMITED PROFIT POTENTIAL

QUICK, SIMPLE AND CHEAP TO GET STARTED

Because of the VIRTUALLY ZERO INVESTMENT, SPEED, and HIGH PROFIT POTENTIAL, this program has a VERY HIGH RESPONSE RATE!

YOU ONLY PAY \$ 6 ONCE, DO NOT FORGET THAT! MAYBE IT SOUNDS TO GOOD TO BE TRUE, BUT I CAN PROMISE YOU,

IT REALLY WORKS!!

GOOD LUCK!

Here's the math: When you send out your emails, your email address will initially be at Number 5 in the list. That's the best position it can be in at this stage if you want to make serious money. The response-rate for this program is much higher than any typical email marketing campaign for a number of reasons, which are explained later. As long as you send your emails to people who are likely to be interested in this program, on average, you can expect a response from about 25% of the people you send to. But let's be extremely conservative here and assume that you receive an average response rate of only 12.5%. . . If you send out your email to 40 different people, you can expect at least 5 of those people to do exactly what you did (12.5% of 40 = 5). By this time, your email address will have moved up to Number 4 in the list, and this list will now have reached around 200 people (5 x 40). Out of those 200 people, you can expect at least 25 of them to participate (12.5% of 200 = 25), so that's a further 1,000 emails (25 x 40) being sent out and your email address will have risen to Number 3 in the list. Out of those 1,000 people, you can expect at least 125 of them to participate (12.5% of 1,000 = 125), so that's a further 5,000 emails (125 x 40) being sent out with you now at the Number 2 position. Out of those 5,000 people, you can expect at least 625 of them to respond (12.5% of 5,000 = 625), so that's 25,000 emails (625 x 40) being sent out with YOUR ADDRESS at the Number 1 spot! Now, out of those 25,000 people, you can expect around 3,125 of them to respond (12.5% of 25,000 = 3,125). And since you will now be at NUMBER 1 in the list, you will receive: \$18,750 ! (3,125 x \$6)

However, you MUST remember that sneaking your name higher up on the list will NOT produce the results you think, and it only cheats the other people who have put in the effort and have earned the right to be there. So please, play by the rules and the serious money will come to you!
