

Adamahic Lineage-Bereshit Chapters 4 and 5 ©2001

NOTE: That in the Scriptures, "other" Sons and Daughters were birth also. This geneology was ment to show the *SPECIFIC* seed of the *Sons of Elohim* and the *Fallen cut off Seed of Ben Adamah*.

Qayins Lineage became the fallen Adamhic Lineage and fully immersed into the Non-Adahmic Cultures-SONS OF DARKNESS

When the Benay Elohim, through Sheth, began to intermingle with the Fallen Adamhic Lineage and the Sons of Darkness, YHWH destroyed all in the region but Noach and his Three Sons and their families to preserve the Adamhic lineage.. After the Great Flood and Catostrophe in the Modern Turkey Region many of Noachs descendants intermixed and settled with other Non-Adamhic peoples...Israel through Shem, Eber, Abraham and Ya'akob became the Fullness of Adamhic Redemption/ Benay Elohim.

TIME LINE/SPAN: **FROM ADAMAH TO NOACH**: About 1,056 years
From NOACH to ABRAHAM: about 390 years. If you calculate the time span using our
Modern Hebrew-Solar-Lunar Calendar at the current year of 5761 (Israelite year)
or
5762 (Jewish Year) C.E from the creation of Adamah, then you will get around 3760
B.C.E
when Adamah was created or the Adamahic Family Movement came into history. If
you
subtract 1,056 years from 3760 B.C.E then you will get around 2704 B.C.E when
Noach was
Born and the Flood/Earth-quake catastrophe story in Modern Turkey occurred.
Subtracting
390 years from 2704 B.C.E, equals about 2314 B.C.E when Our Father Abraham
was born.

This must be taken into account to began our journey in understanding the
REASON and
Purpose for the Creation of Adamah, considering that the oldest known civilization,
Mesopotamia rose about 11,000 to 10,000 B.C.E and also those Human Species that
existed
Millions of years before **the Mesopotamian Civilization**. Thus meaning that *Not all
humans or peoples are descendant of
Adamah*, Just we have concluded that not all people and races come from the Three
Sons of
Noach as portrayed in Euro-gentile distorted History. As will be seen in the Next
Geneological Charts, The Adamahic
Family intermixed and intermingled with already existing peoples and Cultures.
