SENIORS Report

(amended for final Eclectic results after the meeting)

Another very positive and active year for us seniors, although our success in external competitions is improving in the informal challenge matches, we have some way to go to improve in the formal ones.

Our Monday weekly roll-ups which are CONGU qualifying Stableford competitions are still very popular both as golf competitions and social events. Our summer eclectic runs from June 1st. To November 30th. and the winner was Mike Summers on net 51 (gross 66) Second was Andy McBride and Third Mike Taylor also all on Net 51. Colin Reineck won the winter eclectic with Net 53 (Gross 70) followed by Colin White and Nick Allen both also on net 53.

Our Monthly competitions (4 Medals and 8 Stablefords) count towards the Order of Merit and this year I am pleased to say that Nick Allen (otherwise know as superman) has won this with a very credible score of 73 points from 11 competitions winning four outright. Second in the order of merit was Derek Budd on 52 points from 11 matches and third Colin White on 49 points from 9 matches.

Our summer singles (match play off FULL handicap) has now been completed; Wes Christie beat Brent Ellis in the final on the extra hole. This is the first year we have played off full handicaps as ruled by CONGU and it has made life very difficult for the low handicappers.

I entered two teams this year in the NAPGC Seniors Greensomes competitions and again although some results were better than last year we lost against SOUTHSEA and HASTE HILL we will keep trying and I hope to be able to enter two teams again next year.

The Crown Golf Inter club senior's club championship was held at Abbotsley this year our team come 18th. with 96 points out of 20 teams the winners Abbotsley had 125 points. I took four of us up there for a practice round on the Monday before the competition which helped, but off the white tees the course was tricky but nicely challenging. To give an indication of how tough the course played the winning personal score was 36 playing off 19 next was 35 off 8 these out of 95 players. Next year we really expect to do much better as the course selected is Sherfield Oaks (no doubt the Waterloo) which many of us know and like.

Our in house Platinum competition which takes place across any number of Crown Golf courses where the best five scores (on different courses) accumulate and the highest score wins the trophy. This year the clear winner was Superman "Nick Allen" with a superb 181 points (that is a 36 point average per round) followed by three times winner Derek Budd with 174 points and on third chasing hard and promising to do much better next year was Howard Wood on 171 points. We played 113 rounds of golf on 11 different courses between 18 players.

This format was the brain child of Peter Styles and is extremely popular and becoming ever more competitive.

This year I organised five extra friendly challenge competitions against Downshire (Concorde seniors), Easthampstead and Sherfield Oaks. We Beat Easthampstead 4 & 2 at home but lost away 5 & 1 (on a very wet course and against "strange" handicaps), we beat Downshire Concorde 381 points to 373 points overall at home and lost hugely to Sherfield away (Waterloo

course) 5 to a half but beat them at home 3.5 to 2.5. These were hugely enjoyable challenge matches and I am repeating them next year, in fact I have already agreed three dates.

The second year of the Pat Hoey memorial trophy went extremely well and was won by Seniors David Sprot and Superman Nick Allen. This year there were 48 players the weather was good and my thanks to all who took part and to all who donated so kindly some wonderful raffle prizes and cash too. Blue Mountain staff and management were very helpful in the organisation and running of this event and my thanks to them too. We raised £426 and now an additional £30 from the books, which has been donated to the ITC unit of the Heart Hospital in London, which we are told will be used for training and help towards purchasing a much needed pc. Next year I am running the event again and hope the weather is as good and it will be as enjoyable, and lucrative to the fund as this year.

My aim this year was to get as many seniors playing in matches / competitions (other than our normal ones) as I could and I am happy to report that 28 out of the 32 regular seniors played in at least one competition some in 7 of the 9 (8 being the maximum possible). I would like to thank them all for their commitment and support.

Lastly my many thanks to all of our seniors for their participation and co-operation in 2008 and to David Sutton for organising and running the Monday roll-ups so well. Also to the Blue mountain staff and management particularly the pro shop and the catering staff who have always been very helpful to us old codgers. David Sutton again for his prompt and very professional handicapping and results service which as always is invaluable. And of course to our very able and willing committee who put in a lot of time and effort to help this club achieve an enjoyable and competitive year's golf.

I look forward to another good year with the seniors and hope that we can increase our numbers and manage more competitions against other clubs.

I felt that I could not close my comments without again just reminding you all of our very dear senior Ray Piggott's achievement in August - scoring 3 better than his age Gross (80) 46 points Stableford off of 20! Something for us all to aim for. He is still regularly playing to his handicap of 19 and beating many of us week in and week out; he is an inspiration to us all and an honour to play with.

Thank you

Colin White
