## N E X T B a s h

### 31 August—Rawang Industrial Estate

Leave North-South Highway at Rawang. At approximately 400m after toll, turn right at traffic lights to Rawang. After a further 2 km., at the next set of traffic lights, turn right into industrial estate. Then go straight through estate for approximately 2 km. to the end of the road. Park here.

**Note:** There will only be one route with a short cut for scenic bashers and an extra loop for long bashers.

**Hare:** Peter Bloomer

### Short Diatribe

Large white spaces happen when scribes fail to get their write-ups to me before the weekend preceding the last Sunday of the month. Note also the new numbers on the column on the left, in case you have been faxing to my old employers. Thanks—Joe
