

An Alphabet for the Holidays

 is for "**Annual**",
as is this invitation...

 is for "**Beer**",
a most tasty libation.

 is for "**Christmas**",
a time for good cheer...

 is for "**December**",
the Sixteenth this year.

 is for "**Eight**",
not a bad time to arrive...

 is for "**Fires**",
both on TV and "Live".

 is for "**Guests**",
who will surely be here...

 is for "**Housecleaning**",
getting done once a year.

 is for "**Ice Cubes**",
keeping the drinks chilled...

 is for "**Jelly**",
in cookies well filled.

 is for "**Kitchen**",
it's really near done...

 is for "**Laughing**",
when having such fun.

 is for "**Mom**",
who helps with everything...

 is for "**Nothing**",
which is what you should bring.

 is for "**Outdoors**",
far too cold, there's no doubt...

 is for "**Party**",
what this poem is about.

 is for "**Quaff**",
as in cold beer and wine...

 is for "**Recovery**",
that's your problem, not mine.

 is for "**Sauces**",
on Shrimp and Satay...

 is for "**Tools**",
all now put away.

 is for "**Unfortunate**",
if you cannot drop by...

 is for "**Very**",
that's how hard you should try.

 is for "**Wohlford**",
these verses are his...

 is for "**Xylophone**",
because it just is.

 is for "**Year**",
hope the new one is happy...
and

 is for "**Zoinks**",
this last rhyme is sure crappy.
