

July 2, 2008

Dear Band Member & Parent/Guardian:

The students are responsible for proper care of their band uniforms. This includes hanging up all parts of the uniform after each use. The neatness of the uniform is an important part of any competition. Uniforms must stay in the uniform closet. Personal items such as socks and t-shirts should go home and be washed after each event. The student will be responsible for any cleaning costs required if this policy is not followed.

Both the Band Member and the Parent/Guardian should sign at the bottom of this sheet acknowledging that you have received this form and understand its importance. Please return the signed form to the Band Director's Office by 8/11/08.

Band Member _____
