To: Parents / Guardians of Chichester High School Band Members

From: Webmaster

Subject: Chichester HS Band Internet Web Site

I am the webmaster of the "CHIBAND" website. It includes a description of the competition show, band leadership and membership names, staff description and names, competition schedule and results, volunteer schedule, fundraising information, and either candid or posed pictures of the band and front members.

Under the advice of the school district administration, I will be unable to post pictures of the students without receiving a release from liability from each parent or guardian. The release is required because any pictures or graphics posted on any Internet website can be downloaded to the person's computer who visits the site. **No student names will be directly related to specific pictures (i.e. there will be no picture captions).**

Please read and complete the statement below, sign in the appropriate place, and return the form to Mr. Kirkner by 8/11/08.

This form must be completed for the record whether you grant permission or not.

Thank you.
