

188 Lawrence 289

Stephens, Arkansas 72460

May 2002. The site is Persimmon Hill #585, same as last year. Persimmon Hill is the area at the south end of the dam. We will have signs at strategic locations to guide you to the site.

We really look forward to the opportunity to get together as a family at least once a year. We never seem to have enough time to visit everyone during the year. The family reunion provides at least ~~one time each year when we can get together and catch up on each other's life~~

using. Our current mailing list has ninety two (92) addresses. If all 92 addresses plus their immediate family came to the reunion we would have approximately five hundred (500) attendees. We know that about eighty (80) is the total number that comes each year. We will discuss this at

family and encourage them to attend.

Love,

Stan and Deanna Wrenn

**Mark your calendar for Sunday, May 26 - Enid Lake, MS,
Persimmon Hill #585**

Lunch is potluck - plates, cups, etc. furnished

Hope to see you there!
