Notes

(1) Stock transactions settle on the trade date plus three days and securities options settle on the trade date plus one day. Ending settled cash reflects the cash which has actually settled.

(2) Initial and maintenance margin requirements are available within the Account Window of the Trader Workstation.

(3) Quantities preceded by a "-" sign indicate sell transactions. Other transactions are purchases. The settlement date for stock transactions is trade date + 3 business days, except for transactions on XETRA, which settle on trade date + 2 business days. Option transactions settle on trade date + 1 business day.

(4) In case of partial executions, commissions are charged on the total quantity executed on the original order. The commission is displayed on the first partial execution only.

(5) For bond trades, information regarding bond yield, calculated from the price of the transaction excluding commissions, was provided in writing at the time of the transaction in the Trader Workstation trade confirmation window. For further information, please contact the IB Help Desk at: help@interactivebrokers.com

(6) For clients whose accounts are being managed by an advisor, trades shown may be part of a larger trade that was allocated across multiple client accounts, based on an allocation algorithm specified by the advisor prior to execution of the trade. Times shown are times that trades were allocated to your account. Execution time on the relevant market center is available upon your request.

(7) If you specified that your advisor is to receive a per-trade advisory fee, please note that the figures in the "Commiss" column in the transaction listings are gross amounts that include both IB's brokerage commission for the trade as well as the advisor's per-trade fee. IB receives its standard published brokerage commissions on your trades (see www.interactivebrokers.com). To determine the advisor's per-trade fee for any trade, subtract IB's standard commission from the amount shown.

Legal Notes

(1) Unless otherwise noted, Interactive Brokers acted as agent in the execution of the above transactions. For those exchanges where IB is not self-clearing, IB may use one of the following clearing agents: Interactive Brokers (U.K.) Limited, Timber Hill Canada Company, Timber Hill Europe AG, Timber Hill LLC, Timber Hill Securities Hong Kong Limited, BNP Paribas Commodity Futures, Inc., Euroclear Bank S.A./N.V., Fimat International Banque S.A., Fortis Clearing Singapore Pte.
