¹Hindu is not a religion. Hindu means (H)uman IN D(the) U(niverse).

²Hindu Nation is referred to the nation of civilization in the river valley of River Sindhu (Indus), having variety of faiths such as Buddhist, Jain, Lingayat, Christian, Sikh, Moslims, Sanatan and so on. It is the only nation in the world where one can find vast number of cultures and faiths live in harmony.

³Dharma means the basic cosmic principles with which all the heavenly bodies are governed and regulated. Hindu Dharma is the basic principle a human being must obey. That principle is to understand right from wrong and always to choose the right path (Righteousness).
