

Timeline for Mankind

The Universe was created together with the Heaven and Hell. God sent Prophets and Holy books to protect mankind from the evil Satan. But more than half the world population does not believe in these Holy books and some portray to Satan. Who shall finally go to Heaven?

Towards ONE Religion

Hassan Endan (Ph.D)

Lecture series on world religions and the final accepted religion by mankind (CD)

TOWARDS ONE RELIGION by Dr Hassan Endan

The **Torah (Judaism-Jews-Moses)** describes the 13 principles of faith, but the JEWS simply rejected the one that told that Muhammad is the last prophet,

The **Bible (Christianity-Christians-Jesus Christ)** has changed many times and the concept of TRINITY is rejected by many Christians,

The **Quran (Islam-Muslims-Muhammad)** is The One and ONLY ONE QURAN.

The Quran as a book is the result of:

- 1/ Revelations given to Muhammad (pbuh) in the period 610 - 632 (Muhammad's death),
- 2/ Writing down of these revelations by people around Muhammad (pbuh) in a period probably starting some years after 610 and ending a couple of years after 632,
- 3/ Compilation of these writings stretching from mid 630s and perhaps until mid 650s,
- 4/ Backed up by hadith on some events as Muhammad (pbuh) revealed the words of Allah,
- 5/ Memorized by people all over the world. Even the slightest change has been detected,
- 6/ Kept and preserved by Allah thru its angels,
- 7/ The Quran found at Masjidil Haram and Mosque of Nabawi is truly the words of Allah (please confirm your publications with the relevant authorities),
- 8/ The followers of Muhammad (pbuh) shall be able to detect any changes in the Quran. It is well protected until today.
