<b>PgDn</b>	Decrease the volume.
<b>Back Space</b>	Turn off the sound. Note: To turn on the sound, press <b>Fn + PgUp</b> or <b>Fn + PgDn</b> .

---

## Getting service

Always read the “Solving computer problems” chapter of your *User's Reference* before calling IBM.

During the warranty period, you can get help and information from International Warranty Service (IWS) in your country. Before you call, fill out the front of this card. Also have:

- The exact wording of any error messages
- Hardware and software configuration information
- A description of the problem
- Information and serial numbers of any options installed on your system

## International Warranty Service information

This IBM product is eligible for IWS wherever your machine type is sold by IBM. Your computer must be registered to receive international service. To register, call one of the following IWS offices:

Southeast Asia, Australia, New Zealand, and Hong Kong:	61-2-9354-4171
Canada, Latin America, and the U.S.:	1-800-497-7426
Europe, Middle East, and Africa:	44-1475-893638
Japan, Korea, China (except Hong Kong), and Taiwan:	81-462-73-7598

## Help through a ThinkPad Web site

---

## ThinkPad Configuration program

You can customize your hardware system settings with the ThinkPad Configuration program. To start the ThinkPad Configuration program, click **Start**, move the cursor to **Settings**, and click **Control Panel**; then double-click the **ThinkPad Configuration** icon.

For more information, click the **Help** button

---

## Battery status

You can monitor the battery status with the Fuel-Gauge program. To start the Fuel-Gauge program, click **Start** and move the cursor to **Programs** and **ThinkPad**; then click **Fuel-Gauge**.

If you are using the secondary battery, you can also see its status with the Fuel-Gauge program.

---

## For further information
