Part 1. About the 72W AC Adapter

Thank you for purchasing the *72W AC Adapter* (hereafter called the *ac adapter option*). The ac adapter option supplies power for the computer, and also charges the battery pack installed in the computer.

This option package includes the following components:

- 72W AC Adapter
- This user's guide

Supported computers

The ac adapter option supports the following computers:

- ThinkPad A2x series computer
- ThinkPad T2x series computer

The ac adapter option you have just purchased does not support some of the ThinkPad computers that have already been shipped to customers. Before using the ac adapter option, make sure it supports your computer.

Note: For other IBM computers, contact your IBM authorized dealer or IBM marketing representative to determine whether your computer can be used with this ac adapter.

Connecting the AC Adapter

When you use the ac adapter option, connect it to your computer as shown:

Note: The illustrations in this publication may not look exactly like your computer.
