

NOW!

GET **CB** AND
PART 15
 OPERATION
 WITH
 THE
 REMARKABLE
COURIER 12

JUST FLIP THE PART 15 SWITCH . . .

- **No license required**
- **Talk skip — around the world**
- **Use voice or CW**
- **Unlimited antenna tower height**
(subject to FAA Regulations)
- **Talk as long as you want on any subject**

The great new Courier 12 comes fully equipped with a "Part 15" switch which limits output to FCC Part 15 power requirements. When coupled to the e.c.i. "Fifteener" antenna, Courier 12 will open up entire new areas of "hobby-type" communication. Use the coupon for complete details.

e.c.i. electronics communications, inc.
