

What to Do If the COOLPIX990/880 is Listed Under Other Devices

- Windows Millennium Edition (Me)

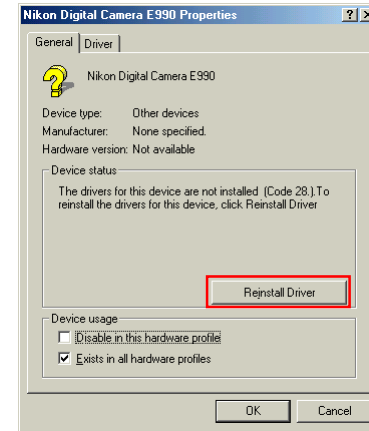

Step 1

Double-click the listing for the “Nikon Digital Camera E990” that appears under “Other devices” or “Miscellaneous Devices.”

Step 2

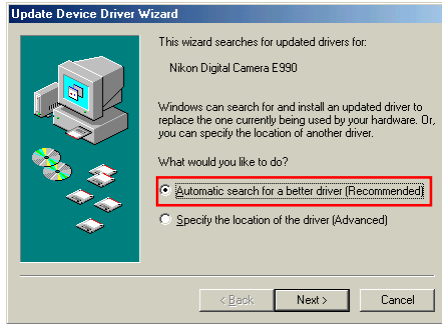

The Nikon Digital Camera E990 Properties dialog will be displayed. Open the General tab and click **Reinstall Driver**.

Click [here](#)  to proceed to the next step.

Step 3

The Windows update device driver wizard will be displayed. Holding down the shift key to prevent the Welcome dialog from opening automatically, insert the Nikon View 4 CD into the CD-ROM drive. Confirm that “Automatic search for a better driver(Recommended)” is selected and click **Next**. The wizard will automatically update the device drivers.

If the Welcome dialog appears when the CD-ROM is inserted, close the dialog by clicking the **Quit** button.

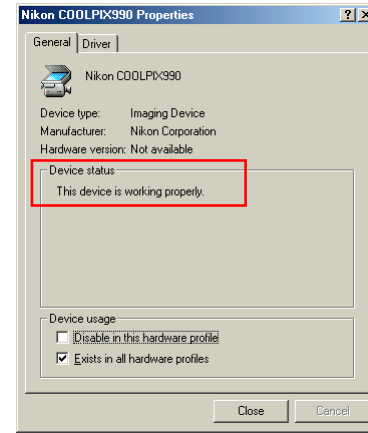

Step 4

The dialog shown below will be displayed; click **Finish**.

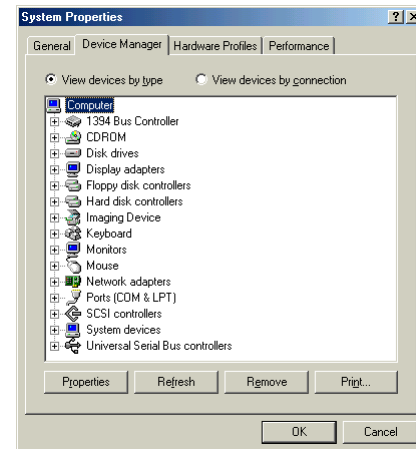

Step 5

Confirm that “This device is working properly” appears under “Device status” in the General Tab of the Nikon COOLPIX990 Properties dialog. Click **Close**.

Step 6

Click **OK** to close the Properties dialog.

Click [here](#)  to return to the Nikon View 4 Reference Manual.
