

# Registering the Camera with Windows

## Windows

If you have already installed or updated the device drivers for your camera, click [here](#)  to return to the previous view.

Instructions for installing or updating device drivers are divided according to camera type and the operating system used. You will be returned to the “Connecting the COOLPIX885/775 to a Computer” after reading the instructions for your camera and operating system.

| Camera                                 | Operating system   |
|--|--|
| <b>COOLPIX885</b><br><b>COOLPIX775</b> |  <a href="#">Windows Millennium Edition (Me)</a>   |
|  |  <a href="#">Windows 98/98 Second Edition (SE)</a> |
|  |  <a href="#">Windows 2000 Professional</a>         |
